**Mountaintop President Michael Bowlds Featured on “In the Know!” Television Program.**

Washington, DC, January 2007 – Mountaintop’s President and founder, Michael Bowlds was interviewed on the popular television news magazine “In the Know!” The News Channel 8 production features topical stories and interviews of movers and shakers in the DC and Metropolitan area towards local and national items of interest.

Bowlds, touted as an expert in government business development, was interviewed on the success Mountaintop has achieved in supporting government-focused small business contracting clients through business development and marketing in pursuit of contract awards. Mountaintop’s recent success with the Peak Series Breakfast (Small Business government contracting forum) was also discussed.

Bowlds was interviewed by popular television and radio host Latoya Foster. Other guests interviewed for the “In the Know!” segment included White House Press Secretary Tony Snow.
