Radius Expands DOJ Support with \$11.5 Million DEA Award for Physical Security and TSCM Services!

FOR IMMEDIATE RELEASE

November 8, 2008 - Radius Technology Group, a premier provider of comprehensive security and management consulting services, was selected to provide Physical Security and Technical Surveillance Countermeasures (TSCM) services to the Department of Justice, Drug Enforcement Agency (DEA). The contract, valued at \$11.5M, was awarded to Radius along with sub-contracting partner, ARTI.

Radius President Chris Archer stated: "In a broad sense TSCM allows us to bring together a more in-depth and comprehensive security solution to our clients." This particular award demonstrates our ability to extend our reach in specialized security services."

Radius also supported the Department of Justice's Bureau of Alcohol, Tobacco, Firearms and Explosives providing direct support and management consulting for the Information Systems Security Officer (ISSO).
