Mountaintop Secures Nuclear Regulatory Commission Contract for Client

FOR IMMEDIATE RELEASE

AITHERAS, LLC, an 8(a), SDB consulting firm based in Landover, MD has been awarded a support services contract from the U.S. Nuclear Regulatory Commission's Office of Nuclear Security and Incident Response (NRC NSIR) to provide IT Coordination and Administrative Support within the agency.

"The fact we are being awarded contracts of this nature is a positive reminder of how AITHERAS has grown and matured as a company. I am proud to see our hard work pay off, strengthening our reputation with new and existing customers. We are proud to support NRC in its mission." Andrew Milisits, Managing Partner of AITHERAS, LLC.

NSIR will be restructuring business processes and operations in order to increase productivity and effectiveness that necessitates these services. The AITHERAS contract will provide the agency with Property Account Maintenance, IT Purchase Support and Software License Tracking and Help Desk Support that will provide employees a central point of contact concerning their IT needs. AITHERAS will also provide NSIR support in procuring new office equipment, telecommunications products, and software support.
